

# Southern **MARYLAND** ROOTS

Dear Students and Parents:

The Southern Maryland ROOTS Youth Group is pleased to invite students in grades 9-12 to the second annual High School Pilgrimage to St. Clement's Island located on the Potomac River, Colton's Point, Maryland, coming this fall!

THE THEME: "THE JOURNEY ... WHY DID THEY COME?"

If you are looking to share in a spiritual journey with countless other teens who believe in becoming disciples of Christ, growing deeper in FAITH, RETRACING the steps of your forefathers, experiencing the HERITAGE of your Catholic ROOTS, CONNECTING with this extraordinary community through TEAM-BUILDING and GIVEBACK PROJECTS with Religious Brothers and Sisters, ENGAGING with First Responders - Police/DNR/Fire and Rescue teams, EMPOWERING teens to develop and embrace life changing skills, RECEIVING the HOLY SPIRIT through MASS, CONFESSION, ADORATION, Keynote Speakers, Special Guests and so much more, then this Pilgrimage experience is for you!

Please, check out the information below regarding the details of this faith filled opportunity!

If you have questions, please reach out to Theresa Friess at 240 298 3879 or through email at [southernmarylandroots@gmail.com](mailto:southernmarylandroots@gmail.com). We are looking forward to sharing this memorable day with you!
